Title: Missing Minister

Author: Dark Powers

Citizens of PaxLair

You must look to
yourselves to find the
answer to the following
question.

Who among you is
missing? Has any
bothered to find one who
is thought of so highly in
the PaxLair government?

I have taken the Minister
Jasper and you will not
find him until he has
transformed into evil
personified.

Will you accept your
beloved Paladin as the
evil entity he is fast
becoming?
Again, look to
yourselves to who
amongst yourselves could
have taken him.

It is one of "a" city of
PaxLair who has taken
him.
